Dear Magna Residents,

As Magna begins the recovery efforts of the 5.7 earthquake we experienced on March 18, we want to thank you for your patience and cooperation with our public works crews and MSD building inspectors as they check buildings and infrastructure.

We would like community members to do a visual assessment of their home or business. Look for cracks in the foundation or damage to exterior or interior walls. Take a photo of the damage.

If you have damage and would like to have your home/building inspected, complete the online form or call one of the numbers listed below.

- **Complete the online form at <https://arcg.is/1uGXee> or on the MSD website main page msd.utah.gov**
- **Call (385) 468-6723 during business hours 8:00 a.m. to 5:00 p.m.**
- **Call (385) 468-6690 after hours and leave a message**

Several community members have been displaced from their homes. We are encouraging these individuals to contact the American Red Cross for help or visit the shelter at Taylorsville High School (5225 S Redwood Road).
